

Congressional Budget Office – U.S. Congress

Summer Internship Program Washington, D.C.

Summer internships typically last for 10 weeks and include compensation based on academic level and work experience.

CBO provides the Congress with the objective, timely, and nonpartisan analyses needed for economic and budgetary decisions. Interns contribute to CBO's work in program areas such as budget and tax policy, health care, national defense, the environment, education, retirement and other income assistance, regulation, and public investment.

Ideal candidates are pursuing graduate academic programs in:

- | | |
|-----------------|------------------------|
| ★ Economics | ★ Public policy |
| ★ Health policy | ★ Financial management |
| ★ Mathematics | ★ Statistics |
| ★ Physics | ★ Engineering |

Information about the internship and the application procedure is posted on CBO's Web site, www.cbo.gov/employment/intern.shtml. The application period is from December 22, 2005 through February 24, 2006. Candidates provide general information and submit their cover letter, résumé, references, and unofficial transcripts or course information online. Students can register at www.cbo.gov/vas_index.cfm to be notified by e-mail when the application process has opened.

Selections will be based on academic achievement, the relevance of academic work to CBO's responsibilities, and work experience. Candidates will be informed of their status in the selection process by April 7, 2006.

For further information about CBO's major responsibilities and available internship assignments, visit www.cbo.gov
